

Proceeds of the BNI outing will be donated to **Mourning Hope**

#### What is Mourning Hope's Mission?

Mourning Hope operates with a crystal clear, singular purpose – to bring comfort and support to children and their families in times of grief. Founded in 1994, Mourning Hope is a grief support network for children, teens, young adults and their caregivers who have experienced the serious illness or death of someone significant in their lives. Support groups serve youth in kindergarten through college age and their families. Mourning Hope is here to help when grieving the death of anyone significant in a child's life – a parent, grandparent, sibling, aunt, uncle, or close friend.

#### Who is Impacted?

Approximately 1 in 20 children experience the death of a parent before they reach the age of 18. In addition, studies show that by the time children reach their senior year of high school, approximately 90 percent of students will experience the death of someone significant in their lives – this equates to over 56,000 children in Lancaster County.

#### How will the BNI Golf Outing Proceeds be Used?

Proceeds from the BNI Golf Outing will be used to sponsor a 10-week Family Grief Series, designed for children and their caregivers who have experienced the death of someone significant in their lives. Mourning Hope was founded on the belief that every child deserves the opportunity to grieve in a supportive and understanding environment. The Center recognizes that the death of a family member usually brings financial instability along with life-altering changes – Mourning Hope does not require payment for any services. These services are available free-of-charge, based on the generosity of businesses, organizations, foundations, and individuals such as you.
